

EAST ANGLIAN AUTOGRASS LEAGUE

NATIONAL QUALIFYING APPLICATION FORM 2009

I/WE understand that to amass the 4 qualifying sets of points, we can use either the 5 qualifying rounds minus lowest score, or 5 rounds + your position in previous years Championship, minus the 2 lowest scores. The top point scorers will have the first priority in taking any places allocated by NASA to the E/A League. **NO** substitute drivers and/or cars will be allowed for qualifying within the E/A league.

I/We agree to pay a subscription of £5 per named driver, which will be returned to the driver who obtains an allocation with a donation to the value of £15 from the League. If you accept a place, including a reserve place, and cannot attend, you **MUST** inform the League Secretary on or before Monday 27th July 2009, to enable substitute drivers to be contacted. Failure to do this will mean that you will lose the right to qualify for the Nationals in the following year.

This form with the correct moneys, must reach the League Points Secretary on or before 5-00pm on Sunday 17th May 2009. Drivers must compete in at least **one** meeting at **each** venue during 2009. One of these dates must be **on or before** May 17th 2009.
